-----------------------------------	-------

*Prices do not include driftwood or habitat. A medium sized (8"-14") single piece of driftwood will cost \$25.00. Condition of birds and difficulty of pose may result in increased price depending on amount of extra labor. If a bird is deemed unmountable or declared position will need to be changed, customer will be contacted prior to mounting. We can accept payment through certain credit cards, but you will be charged an additional 3%.
